DESCRIPTION

The DTX 100 is a top in-ear headphone providing a detailed and powerful sound with all standard MP3 players or MP3 mobile phones (also Apple iPhones with small jack) with mini stereo jack (3.5 mm).

The optimised weight of the light metal housing and the ergonomically designed silicon ear pads in three sizes ensure a high comfort when wearing. With the special cable clip the cable can reliably be attached to the clothing of the user.

The trendy beyerdynamic style softcase is used for a safe transport of the DTX 100 (with small flash players and mobile phones even including player).
